## Bar Brochure August 2020

We are in the process of finalising our updating bar brochure with new bars and appliances available for you to hire. This will be available by the end of August so please check back! In the meantime, if you require a bar please contact our team on 0131 443 3028

### EVENT BARS

Work with us to arrange a bar that fits perfectly with the space and requirements of your event. Our bars not only look incredible, they're also designed to be efficient and functional for the bartender to ensure smooth service and perfect drinks every time.

### BESPOKE BARS

For something truly extraordinary, our creative team will work with you to design a unique and unforgettable drinking experience. Making use of innovative branding solutions, eye-catching back-bar displays and professionally developed drinks.

### DRY HIRE

All our bars are available as a dry hire option in a range of configurations and styles, as well as an extensive range of equipment, furniture and glassware to hire. We can also supply the right staff and management to suit your needs.
